Come meet the people of Carolina Wildlife Care and help us kick off 14 Carrot's new Rewards Program designed to give back to the community. 14 Carrot will provide a variety of samples to snack on as well as demonstrations from Butterpatch Jersey's Milk, Nordic Naturals, the Holistic Moms Network, a reiki demo with Susan Hawfield, a massage demo with Rebecca Stocker, and tattoos and face painting for the kiddos!

How the charity Rewards Program works:

1. Simply fill out a reward program application and receive your free reward card.
2. For every dollar you spend at 14 Carrot you will earn one point.
3. When you have reached 250 points, 14 Carrot will send you a \$9.00 coupon to use at your next visit.
4. In addition, 14 Carrot will make a \$1.00 donation to Carolina Wildlife Care on your behalf and 14 Carrot will match your donation! That's a \$2.00 donation to help wildlife for each Reward that is earned!

Any new customers who sign up as a charity Rewards customer *or* any existing Rewards customer that switch to charity Rewards that day will receive 100 points added to their Rewards account *and* 14 Carrot will donate \$1.00 to Carolina Wildlife Care on their behalf.
