

## 2008 Carolina Wildlife Care Holiday Card

Remember others this holiday season with Carolina Wildlife Care's beautiful holiday card! This year's 4" x 6" color photograph on the card features a magnificent great blue heron chick nestled among a beautiful background. The young heron was rescued after being found floating in the Pee Dee River.

The inside of the card reads as follows:

*May beautiful moments and  
happy memories surround you this  
holiday season.*
